To Colorado Autobody:

I normally would not take the time to write a letter like this, but when someone goes the extra mile in customer service, I believe it should be recognized. I just wanted to let you know how pleased I was about the recent service I received. As a busy Denver attorney, I do not have the time or patience to deal with laziness, and I expect the job to be done right the first time. I have to say that Colorado Autobody went beyond all my expectations. My Volvo was fixed perfectly, and the cost was even lower than I expected!

Thank you -- your company is friendly, fast and professional.

Very truly yours,
