Dear Bill,

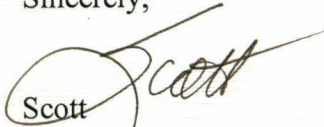

Just a quick note to say thank you for the tremendous service that I received last month when having our Lexus repaired with you.

Whenever you are involved in an accident that is enough stress, so it was great to simply drop off the car, have the rent car ready and waiting, and pick up our car (a day earlier than promised by the way), and have the car perfect.

In this day of over-promising and under-delivering, it was a truly a great experience with Colorado Auto Body. Thank you for making this part, very easy!

I will certainly recommend you to anyone who needs your services.

Sincerely,

Scott
